# Tatsiana Haradnichyna

Web Design  
Rochester, Minnesota, United States

## Summary

I am studying web design at RCTC.  
I will graduate college in the Spring of 2024 and am looking for an Internship for the Summer of 2024 in UX/UI design.

I worked in the printing office on the development layouts of magazines and books. Also, I have experience working with clients on printed product orders, such as business cards, promotional products, and corporate gifts.
